6. School Banking

Suzanne is running a competition with school banking. Every time a child banks they go into a raffle and at the schools last assembly she will draw, prize has been provided by the bank.

More prizes provided by the bank, one for a boy and one girl and is looking for an idea on how to promote banking and to give out prize packs. Need something to draw kids in that don't bank. Ideas mentioned were guess the number in the jar and mystery number board. Need to decided how long to run it for. Decided to do it for next year - start of year, term 1 and do a mystery number board, guess the mystery number.

Decision

Start next prize Term 1 2018- Mystery Number Board

7. School Communication

This has been brought to the P&C by a parent within school. Concern is parents aren't receiving notes and communication and would prefer notices to go out by paper notes. Andrew Billsby (Principle) mentioned unfortunately it's slightly unrealistic to send everything out is note form. He has heard the concern and understands and will try to improve on this matter. He also mentioned there are plenty of other options- Skoolbag app is a great one as notices that need to go home go on there direct to parents. There is also the school newsletter, notes and notice boards outside classes. Another thing to mention is students are informed of anything happening at Monday morning meetings so this can also be another avenue.

School parents Facebook page - Andrew spoke to Rochelle the administrator of page if she has any dramas and will private message them, and if any dramas will they will be blocked. Will not tolerate any unacceptable behaviour on the page.

8. Kindy Information Afternoon- P&C Involvement

Week 2 Term 4 18th October -

The P&C to set up a stall, request 5 mins to let parents know about the P&C and what is involved, and try encourage into joining. Will have in the day membership forms so new members to sign up, Suzanne to have school banking, Renee to come along to speak about the P&C as well as have the hair accessories on the day to sell

9. Term 4 Planner

\$104 raised for the school at Fathers Fun Day from pop up stall books and uniforms. Need to vote to transfer to the school- not enough for a quorum so will need to decide via executives.

Bad Moms movie, Sports Carnival, Quiz Night and Water Fun Day.

Tasks

- Due date: 14-09-2017

9.1. Sports Carnival

We discussed at last meeting and decided sausage sizzle we are saying no, lots involved with little helpers.

Discussed doing bakers delight pizzas. Order in advance all prepaid including parents. Also decided no juice boxes. Renee to approach Tiffany at Bakers Delight and make sure they can do it.

1st week Term 4 notes to go out Tuesday 10th. Ask to have back at the latest Wednesday 18th. Renee to put on the P&C page at the end of term 3 go let parents know of pizza option for sports carnival. Kids and parents orders will be together and all preorder.

Jamie will ask if we can use the canteen at the sports pavillion, if we can we might be able to organise juice boxes, cool drink ect on the day for purchase on the day (use stock we have and maybe get a few more in) As well as our headbands ect on display and sell.

Jen is to organise coffee van.

10. Quiz Night Brief

Started receiving donations. We have 1 round Sponsor thanks to Gravity but we still need another 7. We also need to still approach bigger businesses (eg Retravisson)

We are really needing 5-6 volunteers to help out on the night.

A Gentleman from Capel golf club has donated his time to MC and organise all quiz questions.

Andrew will push for staff to book a table

We really need to start pushing advertising - flyers and Facebook to start with. Angie to ask friend for making flyers and possibly free for advertising.

Jen to find out about cleaning cost for cleaning up afterwards.

Anthony Garrett will sort out printing of flyers, from Crystal.

It is a licence venue so no byo

18+ event. In the flyers for around school we need to have no mention is alcohol.
