7. Fundraising

7.1. Mother's Day Update

First day ran really well. Yr 6 Leaders were confident and successful. Stock item amounts are running on schedule. Friday classes are concerned about stock levels by the time its their turn.

Students who are away or forgot money can purchase from the stall at recess on Wed-Fri or teacher can send over in their class time.

7.2. Father's Day

Jenn bought up an idea of having sessions at Gravity - Thoughts were not all dads may not physically be able to participate at Gravity and insurance with WACSSO would need to be checked. Discussed this option could be used as a Social Event instead.

Renee mentioned that we need someone to take on the event by sourcing ideas, costs, volunteers etc

Another idea mentioned was to reassess the idea of running the same type of event last year. Brian will check with Mark Sheedy if he is happy to help run it but with more helpers this time.

Possibly have pizza option again and maybe a gold coin donation to come along?
